We are asking all ministries and parish teams to sign up for the **Ministry Scheduler Pro app** (or use the MSP website). This way we will make integrated schedules showing all ministries, as requested by the Next Generation Parish Envisioning team. The schedules can still be printed and shared that way, but on the app, you can see openings available, swap with others if you need a sub, receive reminders, indicate your own preferences and unavailable dates for scheduling, and families can be scheduled together if requested. It's already in use!! **Contact your ministry leader or Cathy in the parish office to get started.**

Ministry Scheduler Pro

Schedule, manage, and communicate with church volunteers.

Trusted by over 3,800 churches.

The biggest gain for the ministers have been the automatic reminders! For me, it is the ease of scheduling multiple ministries.

— Steve Rosera
Immaculate Conception Church (Albuquerque, NM)

When I run the Auto Scheduler, it takes less than three minutes to fill a three-month schedule - it's magical!

— Patti Such
St. Bernadette Parish (Prospect, KY)

We no longer face burn-out by some of our over-scheduled parishioners, which has improved the liturgical life of our parish dramatically!

— Lesley Kirzeder
St. Anthony de Padua (South Bend, IN)

MSP has empowered the volunteers to take greater responsibility for their ministry, engage more deeply, and give more energy to their work.

— Ty Henderson
St. John Lutheran Church & School (New Orleans, LA)
